**Equipment Fee for 3/4": est \$2,300.00 (based on actual cost of equipment. Other tap sizes may vary)**

The Applicant(s) hereby state that they are the legal owner(s) of the above described property, and that they hereby agree to abide by the Ordinances of the Town of Encampment, and that all statements herein above are true and correct. It is further agreed that this application will bind the applicant(s), their heirs, successors and assigns into a contractual agreement that shall run with the above described property for the water and/or sewer service with the Town of Encampment under the following stipulations:

1. Water and/or Sewer taps shall be allocated and ownership issued to coincide with the ownership of the real property where actual use is planned. Taps shall not be transferable to a different property.
2. That the tap fees for the right of connecting to the water and/or sewer system shall be as stated in Title 13 of the Town of Encampment Municipal Code.
3. That the monthly water and/or sewer rates will be as stated in Town Ordinance 13.04 through 13.16 and any Resolution establishing or amending those rates as established.
4. The tapping fee shall permit the consumer to complete tapping into Town water and/or sewer service within six months of payment of the tapping fee. Thereafter, the consumer will be required to make payment of another tapping fee for each six month period that he desires to be allowed to tap into town water and/or sewer. The consumer will not be required to make payment of an additional tapping fee if the cause of delay beyond six months is the town.
