

RIGHTS, ACCESS, EQUITY, *for all victims*

Help crime survivors find their justice.

Whereas, the term “crime victim” is more than just a label and has legal standing and protections that go along with it;

Whereas, we acknowledge that crime victims’ rights laws passed in Wyoming and at the federal level guaranteeing victims the right to meaningfully participate in the criminal justice process;

Whereas, we acknowledge that equity and inclusion are fundamental prerequisites to survivor care and that victim service providers and allied professionals can increase access to services;

Whereas, *National Crime Victims’ Rights Week* provides an opportunity to recommit to ensuring that accessible, appropriate services are offered to victims of all crimes;

Whereas, the Carbon County Sheriff’s Office Victim/Witness Program is dedicated to “*Rights, Access, Equity for all victims*” and is working to help crime victims and survivors through accessible, appropriate and trauma-informed services;

And THEREFORE, BE IT RESOLVED, the Town of Encampment, Wyoming does recognize the week of April 24 through April 30, 2022 as

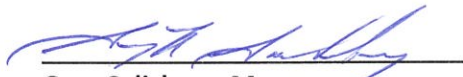

National Crime Victims’ Rights Week;

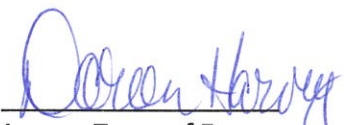

And reaffirms our commitment to creating a victim service and criminal justice response that assists victims of all crime during National Crime Victims’ Rights Week and throughout the year;

And we express our sincere gratitude and appreciation for our community members, victim service providers and criminal justice professionals who are committed to improving our response to victims of all crime so they may find relevant assistance, support, justice and peace.

Dated this 14th day of April, 2022.
